

MARE HEALTH CERTIFICATE 2016

I, the undersigned, hereby certify that I examined the above mare on.....
(Date), being within 28 days of the agreed date of entry to Westlands stud, and found her to be free of clinical signs or symptoms of infectious or contagious disease. To the best of my knowledge and belief there has been no case on the premises where this mare normally resides of:-

- (a) EVA, EIA, CEM or Equine Encephalomyelitis in the past 12 months;
- (b) Strangles within the past 12 months.
- (c) EHV 1 or 4 within the past 30 days.
- (d) Ringworm within the past 30 days.
- (e) Equine Influenza within the past 6 weeks

Signed..... MRCVS
Name:.....

The mare must be accompanied to Westlands stud by:

- Valid passport with Section IX signed not for human consumption.
- Certificate of negative CEM, K. pneumoniae and P. aeruginosa clitoral swab from an approved laboratory.
- Laboratory certificate of negative EVA and EIA (if required) test results.

If you are unable to sign this certificate please contact Westlands stud to discuss further testing regimes which may allow the mare to come to stud.

THIS CERTIFICATE AND COPIES OF LABORATORY TESTS MUST BE RETURNED TO WESTLANDS STUD BEFORE THE MARE COMES TO THE STUD

THESE DOCUMENTS CAN BE EMAILED TO westlands-stud@live.com originals will need to accompany the mare with passport on arrival at the stud
